

## Forestville Central School District Census:

The Forestville CSD updates annually school census information. It is very important that we keep an up-to-date record of all children from birth to age 18 who reside in the district. In addition we need to identify children with disabilities from birth through age 21. It is our responsibility to ensure that all school-age children in our district are receiving approved instruction in a public, private or parochial school or are home taught. The information required on the form below will aid the District in numerous ways, including planning for transportation routes, school attendance areas, and future enrollment projections. Please return the census if you meet any of the following conditions:

- **You are a new District resident with young children NOT currently attending school**
- **You have recently had a baby or adopted a child**
- **Your children attend school in another district, attend a private school or are home taught.**

Please return the census form to June Prince at 12 Water Street, Forestville, NY 14062 as soon as possible. If you have any questions, please call June Prince at 965-6539.
