

# Forestville Central School District

## 2018-2019 Goals

To continue to improve our facilities that provide a clean, safe, and inviting environment that instill school pride.

To continue providing consistent communications that promote positive relationships.

To continue to cultivate a culture that inspires and supports excellence in teaching and learning.

# **Forestville Central School District 2018-2019 Board of Education Goals**

Annually review Board protocols that maintain a high functioning board culture.

The Board of Education will review the athletic program to improve overall program quality for our student athletes.

Continue to create and maintain systems of open and transparent communication.
