

## **IX. SUPPORT GROUPS**

### **A. Athletic Booster Club**

The booster club is organized to boost and encourage interest in all athletic activities at the Forestville Central School District. Members strive to promote support for the athletic activities at Forestville among the membership, students, faculty, the general public, and especially, among the athletes, parents, and coaches. They seek to assist the program by cooperating with the athletic director and the coaching staff in the formation of good teams, athletes, students, and good will in the school and community.

Prospective members should attend a meeting or call the booster club president for more information.

### **B. Varsity Club**

A Varsity Club formed of athletic participants has the primary function of promoting athletics sportsmanship and school spirit. Scheduled meetings with the club advisor will be held on matters pertaining to the improvement and support of the overall athletic program and related activities.
