Dear Forestville Families,

**The USDA has extended free meals for all students due to the COVID-19 pandemic until the end of the 2020-2021 school year. This means that your child will not need to pay for any reimbursable meal for the entire school year.**

Since March, the Forestville Cafeteria has been able to serve over 50,000 in school and send home meals to our students; and we plan to continue to adapt and serve them as we continue through these challenging times.

Evidence from the Food Research & Action Center supports that a well-nourished child is more likely to be a better learner and willing to participate in the classroom. We ask that you encourage your child to eat breakfast and lunch at school. You may also request to have meals sent home for their remote learning days. This not only supports your child's development, but also supports our cafeteria to continue to create and develop tasty and healthy meals.

Any questions, concerns, and even ideas for new foods to serve can be sent to [nweith@forestville.com](mailto:nweith@forestville.com).

Thank you for supporting your child and your school through the School Lunch and Breakfast Programs.

The Forestville Cafeteria Staff
