

The health and safety of our students and staff is our top priority. This call is to inform you that a student in the Forestville High School has tested positive for COVID-19. The Chautauqua County Department of Health has completed the necessary contact tracing. If your child(ren) need to be quarantined, you would have received a phone call from the school and/or the county.

Please continue to monitor your child for symptoms and have them stay home if they are sick or if they have been in close contact with someone that has tested positive for COVID-19
