

We would like to thank everyone that was able to attend our virtual parent meeting on Wednesday, April 22<sup>nd</sup>. Mr. Grande, Mrs. Marcinelli and Mrs. Garrett covered the details related to updating and changing our school plan. We know it is important to take a slow and cautious approach in changing our model. The changes we presented during this meeting included bringing back more students, some will be brought back more frequently, and some will be placed closer together, with students that they may or may not have been interacting with all school year.

We have posted the Power Point from our presentation. Please take some time and visit our website for more details. Slide 15 and 16 outline the changes to our educational model.

Below is the link to the Power Point:

We want you to know that our plan is fluid. We will refine the plan as we receive your feedback. We will do our best to address your concerns. We will all work together to make sure this is as smooth as possible.

We have also posted a survey to collect your feedback. Please submit your responses by Tuesday, April 27<sup>th</sup>. We will use your feedback as a way to plan for the changes to our model.

Below is the link to the survey:
