

FORESTVILLE CENTRAL SCHOOL

JOB POSTING

The Forestville Central School District is in search of a School Psychology Intern for the 2022-2023 school year. Candidates who have completed prerequisite coursework and are qualified to begin their School Psychology Internship requirement should apply. This position requires strong communication skills, compassion, and empathy. Assist certified School Psychologist Supervisors in all aspects of the role. Provide counseling, perform assessments and provide consultation. Work with a strong team of Psychologists and Administration within the District.

Building/Location: District-wide

Salary: \$17,000

Start Date: September 2022

Contact Person's Title: Elementary Principal

Contact Person's Phone: 716-965-6534

Contact Person's Email: lmarcinelli@forestville.com

DUTIES:

- The Psychologist Intern will serve as a mandated member of the Committee on Special Education,
- Conduct mandated Psychological/Educational evaluations per State and Federal Regulations,
- Prepare written reports and assist in the development of Individual Education Plans for students with disabilities including computer input into IEP software under the supervision of a Certified School Psychologist.
- Will work with general and special education students in classrooms and individually to provide both academic and behavioral Response to Intervention (RTI).
- Will work with teachers and staff to develop appropriate Functional Behavioral Assessments and Behavioral Intervention Plans and to implement any district academic and behavioral initiatives under the supervision of a Certified School Psychologist.
- The Psychologist Intern will also perform any assigned duties deemed necessary and appropriate.
