## Forestville Central School District Newsletter

### Bald for Bucks 2018

On Wednesday, October 25, 2018, the Elementary School gym was full of excitement as 16 students and 2 adults went Bald for Bucks/Beard for Bucks and 5 students, one mother and one teacher donated their hair to Locks of Love. This was the Elementary School's ninth year raising money for Bald for Bucks and the twelfth year adults and students cut their hair to donate it to Locks of Love. The event was a huge success this year!! Teachers, students, family, and community members came together to raise over \$6,000 for cancer research.

The top money raiser this year was Olivia Borrello, she raised \$895! This is Olivia Borrello's first year in our school and first year donating her hair to Locks of Love. Olivia wanted to do this for her Aunt Martha. The second top money raiser was Evan Greenough with \$700. This is also Evan's first year at our school and his first year going Bald for Bucks. He made it a family affair by bringing his mother, Michelle Greenough, who graciously donated 10 inches of her beautiful hair. He got to shave his father's (Mr. Greenough) beard off and then went for his hair. There was a tie for the third top money raiser. Sienna Galofaro and Caleb Kimmerly both raised around \$600. This was Sienna's first time donating her hair to Locks of Love. Caleb on the other hand is our most consistent Bald for Bucks participant! Three students who wanted to help out, but weren't ready to cut their hair teamed together and they raised \$275 on their own. They were fifth graders: Jack Spengler, Evelyn Yeager and Anna Gilman.

Forestville Elementary School would like to give a big thank you to all of the hair stylists who were able to graciously donate their time and skills for the assembly: Abby Thompson, Forestville Alumni, and mother to Madison Thompson, and Kim Marsh, grandmother of Caleb Kimmerly. This year Forestville Elementary welcomed special guests, DJ Anthony from Kiss 98.5, Alexandria Hoaglund and Mackenzie Giancarlo from Roswell Park Cancer Institute, and Mary Heyl from the Dunkirk Observer. This event couldn't have taken place without your help! We were very honored to welcome to our event Anthony George, who is the man who created Bald for Bucks! Our school was so excited to meet him, as he explained to our students that he started this whole thing to help out his sister, who was struggling with cancer.

Thank you to Mrs. Garrett, Mrs. Marcinelli, the Board of Education, the faculty, and staff members who helped out with this event. And finally, thank you to all the students and family members who worked so hard to help raise awareness. Coordinators, Jennifer Dunn and Katherine Gorczyca are so proud of another job well done! Forestville is definitely making a difference for the future of cancer research and tomorrow's cures.

These are the brave and compassionate Bald for Bucks/ Locks of Love Participants:

Maddox Tenamore	Noah Hodkin	Mason Wienke
Nicholas Morgan	Dominick Anders	Olivia Borrello
Ryan Cook	William Duliba	Sienna Galofaro
Owen Ferry	Maxam Tenamore	Skylar Christian
Daniel Castellano	Madison Christian	Mrs. Greenough
Finn Muck	Ryan Castellano	Mr. Greenough
Evan Greenough	Caleb Kimmerly	Mr. Hazelton
Sophia Stewart	Aydon Heim	Mrs. Wienke

***Excellence in Education***

## Superintendent's Message

**Renee Garrett**  
Superintendent

Welcome back to a new year! We are off to a wonderful start. There have been so many events and opportunities for our students to participate in. Our school does a tremendous job giving students choices to succeed in their own way. We have been continually building in new and different courses into our overall schedule at the high school. This year, we have added programming by CASAC at all grade levels which provides grade appropriate information for students related to making good choices. We are also incorporating new Wellness ideas and activities as offerings throughout the district. Our Farm-to-School program is just starting to make strides. We are happy to build on the great relationships with our local farmers. Our MS/HS students will see a new offering during the month of November; smoothies will be a part of our breakfast menu.

## Forestville Farm-to-School Grant

Forestville Central School District and Forestville farmers are extending their relationship through the New York State Department of Agriculture & Markets' Farm-to-School Grant. The grant is beneficial to the school, farmers, and the Forestville community. Money from the grant expands the fresh produce and products for student meals, and opens new markets for the farmers to profit from their products.

The fall season has been optimal for our partnership with Bill Meadows, owner of Meadows Farms. Every week this fall, Forestville has purchased 4 to 6 bushels of apples for our students. The cider refreshments for our open houses were from Meadows as well. Meadows Farms, situated at 10459 Prospect Road in Forestville, is a popular spot in the fall for those who want to enjoy the fall weather and pick their own apples. However, the farm also has a variety of pre-picked apples for those in a hurry, fresh apple cider, pumpkins, mums, fall vegetables, and much more! With daily hours 9:00 a.m. – 6:00 p.m., rain or shine, there is plenty of time to get your fall fix in!

**Bill Meadows, owner of Meadows Farms**

Aside from enhancing the relationships between Forestville and our local farms, the Farm-to-School grant helped kitchens in our Elementary and High Schools purchase new equipment to help process, preserve, and package farm fresh foods. The cafeteria staff will now have the ability to purchase larger amounts of food from local farmers during the harvest season, and preserve it. New vacuum sealing materials and freezers, purchased through the grant, allow these foods to be saved for times of the year when fresh vegetables and fruits are harder, and more expensive, to come by. One of the most exciting ventures is purchasing blenders through the grant. The blenders will allow us to use fresh fruits or vegetables and make smoothies to serve during breakfast or lunch!

With fresh farm products for students and new markets for our local farmers the Farm-to-School grant is a great opportunity for the entire Forestville Community. The state funded grant will continue to support the initiative through 2019, but, the school and local farmers are working to establish relationships that will carry on beyond the grants expiration.

## Adrianna Burgos Top Vocalist

Adrianna Burgos, who auditioned May 2, 2018, was chosen to receive one of several scholarships from the Chautauqua County Music Teachers Association (CCMTA). The awards are given to the highest scoring vocal and instrumental students in three age categories. In addition, she received, the coveted Ed Turner Scholarship with the highest score of the competition.

The top vocal and instrumental winners were invited to perform their winning pieces for the county's music teachers and administrators at the CCMTA's yearly banquet. The banquet was held at Webb's Captain's Table in Mayville, New York on October 10, 2018. Adrianna impressed the crowd with her very beautiful and animated performance of 'Poor Wandering One,' from the comic operetta Pirates of Penzance. We were very happy that Adrianna's parents, Jose and Judith Burgos, accepted the committee's invitation to also join us for the evening.

## Trick-or-Treat for UNICEF

The sixth graders, along with their teachers Mrs. Dolce and Mrs. Buehler, are learning how they have the power to make a difference. As a community based project, this year's sixth grade class is taking the lead on the local UNICEF Trick-or-Treating campaign. UNICEF provides clean drinking water, vaccinations, food and shelter to needy children all over the world. It also provides school supplies and responds after emergencies, such as hurricanes, to provide aid.

Global citizenship is the main focus of this activity, making students aware that they can make a difference in the world. By becoming global citizens, our students are showing that they care about communities around the globe. They are learning that helping these other communities will make our world a better place to live for everyone. As part of this activity, the sixth graders presented to other classrooms in an effort to educate younger students about UNICEF.

During the Halloween season, the Forestville elementary children gathered donations with special collection boxes. The money was counted by the sixth graders in class, and the total amount will be sent to UNICEF.

Trick-or-treat for UNICEF lets our kids directly take part in a campaign that makes the world a better place. Thanks for supporting our students in this worthy cause.

## Board President's Message

**Carol Woodward**  
**Board President**

This fall has been a wet one so far; but it doesn't dampen the great achievements that our school has accomplished this year.

The Board of Education has set our goals once again this year. One of our goals that remains a constant is improving student achievement through teaching and learning. This year, our scores have improved dramatically. I would like to thank our entire staff for their hard work and dedication in working toward improvement in this area. Everyone has contributed to our success. The parents of our students also play a part of our success. Your support is much appreciated. Thankfully, so many of our parents and grandparents are extremely committed to our school community. We see you at so many of our school events. Our students are so respectful and helpful. It is amazing that our elementary families raised over \$6,000.00 for Bald for Bucks/Locks of Love. Our Volleyball families raised over \$2,800.00 to help fight breast cancer through the annual Spike Out game. It always impresses me how our small school has such a big heart!

The Board of Education has also been a part of supporting the efforts of the Wellness Committee. The committee includes members of the community and school staff. This enthusiastic group is working on developing and promoting wellness in our buildings and at home. They have established a Wellness Week (January 14-18) for our staff and students to participate in. We will keep you informed of other upcoming wellness events.

In the past, the Board has conducted Senior Exit interviews. One of the comments that sticks out in my mind is, the students do not feel as prepared as they could be for their financial life after graduation. Two areas that they would like to see more emphasis on are financial and employment opportunities. We would like to thank Mr. Grande and his MS/HS team for spearheading efforts to address these concerns. The high school is going to provide mock job interviews for our students and informational sessions from local financial institutions, regarding credit card pitfalls and student loans. We hope this will be helpful to our students.

The Board thanks you for all your continued support. Please feel free to contact any one of us at any time with your thoughts.

## Students Visit Old Fort Niagara

The seventh grade students visited Old Fort Niagara on October 12th for the annual Fall Frontier Days, an interactive educational program for fourth and seventh grades. Students encountered four great nations that played prominent roles in the Niagara region's history: the Haudenosaunee, France, Great Britain and the United States.

The program for the day focused on the years 1726 - 1815, allowing students to compare and contrast living conditions for Native Americans, French, British and American soldiers who garrisoned the Fort over almost 100 years. Students learned about Native American history and culture, life at an 18th century fort, 18th century foodways, artisans, military music, architecture, engineering and commerce.

The trip was funded by a grant from the New York State Parks Department called "Kids Connect", a competitive grant that teachers may apply for when visiting one of the New York State Parks programs. This is the second year our school applied for and received funding from the grant to allow our students the opportunity to visit Old Fort Niagara! Social Studies teacher, Mr. Langworthy, coordinates the trip each year, with help from Special Education Teacher, Ms. Kubera, Our parent chaperones were Mrs. Stewart and Mrs. Grupa. This year's trip was a fun and educational experience at a truly unique location in our area!

## Spirit Week, Hollywood Style

In the fall, FCS holds an eventful spirit week full of fun activities! Each day focuses on a different theme as grades compete against each other by participating in the daily contests. At the end of the week, the school holds a pep rally to get everyone pumped for the Homecoming Football Game. This year's game was against JFK. Even though it was heavily raining that night, there was a tremendous amount of support to cheer on our Knights. The Homecoming Dance, on Saturday, September 22, finished off this week of excitement! The gym was decked out with red carpet and Hollywood decorations to reflect this year's theme of "Hollywood."

## Principal's Message

**Daniel Grande**  
**MS/HS Principal**

Summer seems like such a distant memory now that the school year is in full swing! There is so much to report that I'm not too sure where to start? Let's start in the beginning...

Each year, our students, faculty, administration, and Board of Education members are invited to our bell ringing ceremony. This is a tradition that has been in place at Forestville for more than 100 years! This year, our Senior Class President, Sylvea Cleary, our Board of Education President, Mrs. Carol Woodward, and Superintendent of Schools, Mrs. Garrett, shared their thoughts on how to make this year a successful one for all! At the conclusion of the ceremony, our Music Teacher, Ms. Leone, directed the school band as they performed the Forestville Alma Mater. What a great way to kick off the year!

On September 18th and 19th, our juniors and seniors attended a presentation on the hazards of distracted driving. The timing of this presentation was very appropriate for this group of students. Most of them either have their permits or driver's licenses. The presentation was entitled "Hang Up and Drive" and the presenters were Jacy Good and Steve Johnson. Both are nationally recognized public speakers and advocates for cell-free roads. Since Jacy's miraculous recovery from a 2008 crash, caused by a distracted driver, that claimed the lives of both her parents and left her partially paralyzed, they have worked tirelessly to educate the country about the dangers of cell phone use behind the wheel. If you have young drivers in your house, please talk to them about the dangers of driving and using a cell phone. If you have Internet access, please take a moment to view this 3-4 minute video on Jacy's story. <https://www.youtube.com/watch?v=E9swS1Vl6Ok>

In early October, schools across Western New York participated in the annual "Go Home Early Drill." This drill is set up to test a school's ability to transport students earlier than the normal dismissal time. On this day, Forestville typically conducts a series of drills throughout the day to ensure that faculty, staff, and students know how to respond to our local emergency procedures. The drill day seemed to go smoothly. Students and teachers took the drills seriously and there were no concerns noted by anyone. We will continue to fulfill the NYS required drill obligations for the rest of the school year.

So, that's the early news for this school year. More to come in future newsletters and on the Forestville Middle/High School webpage. Directions to the webpage: Go to [www.forestville.com](http://www.forestville.com) and click on the "Our Schools" link. From there, select the "Middle/High School" option from the drop-down box. Let's have a wonderful school year!

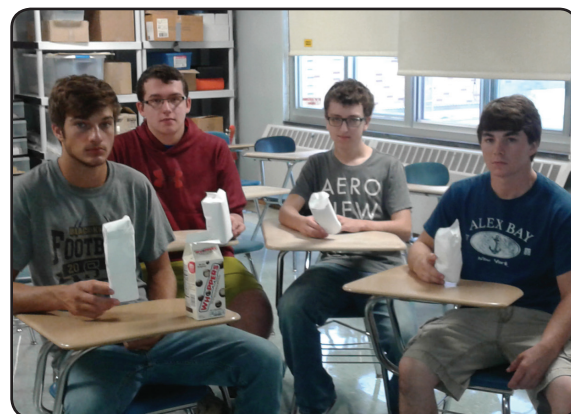

## Malt Ball Box Project

The students in Mr. Dempsey's Principles of Engineering class recently took on the challenge to design a container to hold the highest capacity of Whoppers.

The specifications used for the project were:

- One 8.5 by 11 piece of paper to make the container.
- Draw a scaled design of the container to be constructed.
- Calculate the volume of the designed box.
- The container must be fully enclosed.
- Test the box to see how many malt balls (Whoppers) it will hold.

Zach Roland, Macadam Gadewoltz, Zach Barlette-Dye and Nathaniel Bock chose different designs for their containers to maximize the volume. Macadam with a trapezoidal prism and Nate with a cylinder shaped container held the most whoppers. The best part was the students got to eat the Whoppers!

## Marching Band Fall 2018

The Hornet Marching Band had a successful fall season. Led by senior drum major, Madison Miller, the band performed for multiple parades around Western New York and home football games at Silver Creek High School. This year's field show was based on the musical, *Seussical*, which will be performed this November at the high school. The music for the show was an arrangement of four songs from the musical: *Oh The Things You Can Think*, *It's Possible*, *Alone In the Universe*, and *Biggest Blame Fool*. Seniors in the marching band who were honored at the senior recognition football game were Adrianna Burgos and Madison Miller. The Hornet Marching Band performed at the Seneca Nation Fall Festival Parade, the Grape Festival Parade, and the Forestville Fall Festival Parade. The High School students played *Malaguena* and the Middle School students played *Russian Sailor's Dance*.

## Forestville Technology Takes Second Place

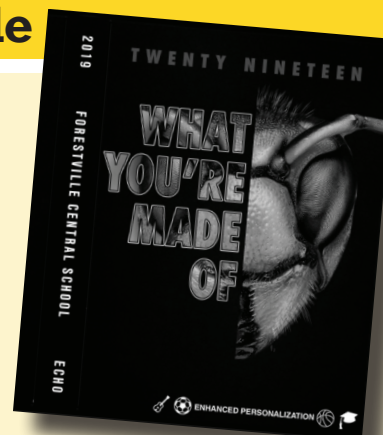

Mr. Wisniewski's and Mr. Dempsey's technology and engineering students took second place in the The Great Pumpkin Farm Trebuchet contest in Clarence on October 21st. The students (Macadam Gadewoltz, Zachery Roland, Travis Drozdziel, Phoenix Ferneza, Jordan Fores, Orlando Soto, Hunter Bailey, Carson Becker, Mike Mulchinski, and Lucas Young) designed, built and tested a whipper trebuchet.

The competition used 5 to 8 pound pumpkins and included longest throw and accuracy contests against many other schools from the Buffalo area.

Our students had a longest throw of 502 feet and a combined (for three throws) total of 1195 feet. Go Hornets!

## ECHO Yearbooks Now On Sale

Welcome back to school Forestville! FCS is packed with great times. The 2019 edition of the ECHO Yearbook is already in development and is for sale at the fall discounted price of \$59 plus tax. Reserve your copy and save money by purchasing the book early. Delivery will be in the spring. Please order online at [Jostens.com](http://Jostens.com) for fast and convenient service. Don't forget, you can also save money by placing a business ad in the yearbook! If you have any questions please email Mike O'Leary at [moleary@forestville.com](mailto:moleary@forestville.com).

## Principal's Message

**Lindsay Marcinelli**  
**Elementary Principal**

We are off to an incredible start to the 2018-2019 school year! It has been amazing to see how hard our students are working each and every day. The great start to the school year would not be possible without the dedication and commitment of our faculty and staff. I don't know if there is a more loving and caring group of educators out there. Our goal is to provide our students with the highest quality education possible. I am proud to say that we are achieving this goal. New York State Test scores continue to indicate our students are among the top in the county. But, more importantly, our students appear to be happy here at school. Our building strives to offer a safe, nurturing and welcoming educational environment to help our students grow and reach their full potential. A major component that makes Forestville a wonderful place to work/learn is the overwhelming community support. The partnership between school and home is the most important component to ensure your child's success. Research indicates that student success is achieved at a greater rate the more involved parents are in their child's education.

During November, we have several days with no student attendance, as well as early dismissal days. Please remember that there will be no school on Friday, November 10, in observance of Veterans' Day, and Wednesday, Thursday, and Friday, November 21, 22, and 23, for the Thanksgiving Recess.

In addition, parent-teacher conferences will be held on Wednesday, November 28, Thursday, November 29 and Friday, November 30. Please keep in mind that students will be dismissed at 12:30 on all three days. The buses will leave the building at 12:35, so please be certain to make arrangements for your children on these early dismissal days. As always, bus notes and parent pick-up requests need to be turned into the office by noon that day.

Parent-teacher conferences are a wonderful opportunity for you to celebrate your child's accomplishments and to develop a plan with your child's teacher to work on areas that require improvement. If you were unable to schedule your parent-teacher conference at Open House, please reach out to your child's classroom teacher. Report cards will be distributed during conferences and will not be sent home with your child.

New this year, we are asking parents who are picking up their child from school, to please wait to enter the building until the buses have pulled out of the parking lot. Dismissal can be a hectic time and there is not a location for parents to wait for their children. Parent pick-up is scheduled for 2:45. Students will not be released before this time without prior notice. Our entire staff would like to thank you in advance for your cooperation.

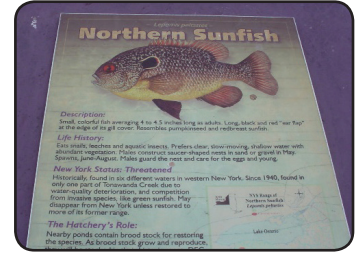

It is an honor to work with your children every day. I can be reached at 965-2742 to speak with you about any questions you may have. Please do not hesitate to reach out to your child's teacher or myself at any time.

## DASA

The Dignity for All Students Act (DASA) was signed into law on September 13, 2010 and took effect on July 1, 2012. The Act prohibits harassment and discrimination of students by peers and by school personnel. In addition, amendments to the regulation have added explicit references prohibiting bullying and cyber buying. The Act covers all public elementary and secondary aged students and applies to behaviors on school property, in school buildings, on a school bus, as well as school-sponsored events or activities. Lindsay Marcinelli serves as the DASA Coordinator at the Elementary building (965-2742- lmarcinelli@forestville.com) and Daniel Grande serves as the DASA Coordinator at the Middle/High School (965-2711- dgrande@forestville.com). Please contact one of them should you have any concerns or wish to report an incident.

## Visit to Randolph Hatchery Trip

The Fish & Wildlife class visited the Department of Environmental Conservation's Randolph Fish Hatchery during a field trip on September 25, 2018. Students were given a tour of hatchery operations and received a detailed explanation of raising trout from eggs to adults. Due to turbid water conditions in the hatchery raceways, caused by heavy rainfall the night before, students were unable to observe the process of stripping eggs (roe) and milt from adult brood stock. However, students were able to observe the hatchery's ponds containing brood stock of the Northern Sunfish, an endangered species in New York State, and learn about the hatchery's role in restoring this species to New York waters. Students asked many questions during their visit and were required to complete a Field Trip report when they returned to the classroom.

## Summer Reading Program 2018

Summer Reading Adventure 2018

Reading Takes  
You Everywhere!

Forestville Elementary School's Reading Teachers, Mrs. Jennifer Dunn and Mr. Gary Worosz, along with Elementary Principal, Mrs. Lindsay Marcinelli, (not shown), challenged all students to participate in the Summer Reading Adventure 2018 – Reading Takes You Everywhere! from June 25th – August 31st.

Students were encouraged to read from 6 of 14 different genres, such as: non-fiction, how-to, mystery, comics, cookbooks, etc. They also had to read in 10 of 16 different "ways," such as: -to a pet; -to a grandparent; -when it rained, -in a tent, -to a sibling, -in a silly voice, etc. Book titles and dates, as well as the parent/guardian's signature was required on the reading checklist.

On Monday, September 10th, all students who successfully completed this Summer Challenge were presented with a reading achievement medal of honor and an award certificate. A total of 33 medals and awards were distributed.

**Pictured: (back row l to r):** intermediate reading teacher, Mrs. Dunn; 3rd Grader, Aaron Cook; 3rd Grader, Jacob Butcher; 4th Grader, Noah Hodkin; 5th Grader, Blake Waterman; 6th Grader, Devin Thomas; 5th Grader, Jack Spengler; 4th Grader, Tucker Merritt; 2nd Grader, Emma Hodkin; and primary reading teacher, Mr. Worosz.

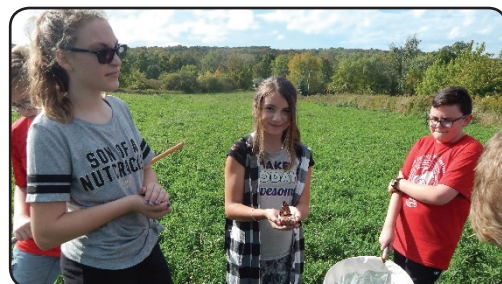

**Middle row:** 3rd Grader, Ryan Cook; 1st Grader, Grace Moore; 3rd Grader, Abigail Cook; 2nd Grader, Olivia Butcher; 1st Grader, Jacob Guziec; 1st Grader, Abigail Gruber; 3rd Grader, Bailey Bininger; 1st Grader, Bryan Ellis; 3rd Grader, Emily Lillie; 3rd Grader, Jason Ellis; 5th Grader, Manny Sanchez; 3rd Grader, Jacob Hawkins; 5th Grader, Noah Gruber; 3rd Grader, Sophia Privitere; 1st Grader, Emma Raczka; and 1st Grader, Abigail Hawkins.

**Kneeling:** 2nd Grader, Sienna Galofaro; Kdger, Ava Privitere; 3rd Grader, Madison Thompson; 2nd Grader, Brenna Valentine; 2nd Grader, Avery Rebmann; 2nd Grader, Benjamin Spengler; 1st Grader, Maxx Sanchez; and 1st Grader, Zariah Franklin.

## Citizen Science and the FCS Science Club

Members of the FCS Science Club have spent the last weeks of summer and first weeks of autumn participating in the Citizen Science Project Monarch Watch through the University of Kansas. Students have learned about insect life cycles by raising Monarch butterfly caterpillars to tag and release. Members of the Science club have also gone afield to capture and tag migrating wild butterflies, collected and recorded data, and have participated in a study that monitors Monarch butterfly populations across the continent. Students have learned how the effects of habitat destruction, the introduction of GMO (Genetically Modified Organisms) crops, and the use of pesticides can affect native populations of insects across the country.

Students came away from this experience with a better appreciation of nature and the outdoors, a realization that they can contribute meaningful information to scientific studies, and that what we do as humans can affect the environment and the organisms that we share it with.

## Earth Science Day Field Trip

Members of the Forestville Science Club visited the Penn – Dixie Site on Oct. 6, 2018 for Earth Science Day. Participating students collected Devonian age (350 – 370 million year old) fossils, observed a rock core drilling demonstration, and observed sunspots and solar flares through telescopes with filtered lenses. They also participated in interactive displays by 18 different colleges, organizations, and businesses illustrating careers in fields of Earth Science, Meteorology, and Environmental Science. Students will create a personal fossil collection by cleaning, identifying, and preserving their fossils during after school meetings.

## Substitutes Wanted Immediately

**We are currently seeking applicants for the following positions:**

Substitute Cleaners - \$10.40/hr

Substitute Food Service Helpers - \$10.40/hr

Substitute Bus Drivers - \$13.44/hr – will train \$10.40 / hr

Substitute Certified Teachers - \$90/day

Substitute Uncertified Teachers - \$80/day

Substitute RN Nurses - \$90/day

NYS Education Department fingerprinting required.

**Send completed specific substitute application found online at [www.forestville.com](http://www.forestville.com) to:**

**Renee Garrett, Superintendent  
FCS 12 Water St. Forestville, NY 14062**

## This Fall Seussical the Musical

One of the most performed Musicals across the Country is coming to Forestville Central School this Fall!

Horton the Elephant, the Cat in the Hat, and all of your favorite Dr. Seuss characters spring to life onstage in *Seussical the Musical*, a fantastical musical extravaganza from Tony-winners Lynn Ahrens and Stephen Flaherty. A large cast, pit band, and stage crew of over 60 students, staff, and parents have been hard at work for the past 2 months to bring this large production to our stage.

Transporting audiences from the Jungle of Nool to the Circus McGurkus, the Cat in the Hat narrates the story of Horton the Elephant, who discovers a speck of dust containing tiny people called the Whos. Horton must protect the Whos from a world of naysayers and dangers, and he must also guard an abandoned egg that's been left in his care by the irresponsible Mayzie La Bird. Although Horton faces ridicule, danger and a trial, the intrepid Gertrude McFuzz never loses faith in him. Ultimately, the powers of friendship, loyalty, family, and community are challenged and all emerge triumphant!

*Seussical the Musical* is fun for the whole family! Filled with music from many styles including blues, Latin, soul, and gospel, young and old will be tapping their feet and clapping their hands to this unforgettable musical. There will be three performances, including a daytime matinee, perfect to bring your kids to.

**Friday November 9th • At 7:00 PM**  
**Saturday November 10th • At 2:00 PM**  
**Saturday November 10th • At 7:00 PM**

Tickets for reserved seating will go on sale online and in the HS Main Office starting Monday October 29th at 9:00 AM at the discounted price of \$8 each. A link will be posted on our school website. Remaining seats will be available at the door for \$10 each.

If you love Dr. Seuss, then you can't miss this show! *Seussical the Musical* is a fantastical, magical, musical extravaganza that's wonderful for families with children of all ages.

## Forestville, New York 14062

## Forestville CSD Makes Big Gains

It takes a team to make things happen. Thanks to everyone's efforts our ranking in the Business First publication continues to rise. On October 1, 2018, Business First ranked Forestville Central School District #3! Forestville made the list of "biggest gainers" in the Upstate School rankings!! Forestville has moved up 160 spots on the list from 2011 to 2018. In 2011 Forestville was ranked at the bottom of the list at 403 out of 431 schools in Upstate New York. Today, 2018, Forestville is ranked 243 out of 431 schools in Upstate New York. That makes Forestville the #3 biggest gainer in all of Upstate New York. This is a testament to the hard work and dedication that we have in place at the school. Thanks for all that you do to make this happen!

## Non-Discrimination Statement

The Forestville Central School District does not discriminate in its employment and admission to programs and activities as applicable, on the basis of actual or perceived race, color, creed, sex, sexual orientation, national origin, religion, age, economic status, marital status, veterans' status, political affiliation, domestic victim status, use of a guided dog, hearing dog or service dog, disability, or other classifications protected under federal or state law, and provides equal access to the Boy Scouts and other designated youth groups. The designated district compliance officers will coordinate compliance with the nondiscrimination requirements of Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, as amended, the Boy Scouts of America Equal Access Act, and the New York State Human Rights Law.

The Forestville Central School District Compliance Officers are: Superintendent, 12 Water Street, Forestville, NY 14062 (716) 965-6539, MS/HS Principal, 4 Academy Street, Forestville, NY 14062 (716) 965-2711, Elementary Principal, 12 Water Street, Forestville, NY 14062 (716) 965-2742.

Complaints may also be filed with the Office for Civil Rights, New York Office, U.S. Department of Education, 32 Old Slip, 26th Floor, New York, NY 10005-2500, phone (646) 428-3800, fax (646) 428-3843, email: OCR.NewYork@ed.gov.
