

All-Call November 8, 2021

The health and safety of our students and staff is our top priority. This call is to inform you that an elementary student has tested positive for COVID-19. The contact tracing has been completed. Due to this positive case, a number of students have been placed under mandatory quarantine by the Chautauqua County Department of Health to reduce the risk of transmitting the infection to others. It is very important to continue to monitor your child for symptoms and have them stay home if they are sick, or if they have been in close contact with someone that has tested positive for COVID-19. This information and more can be found on our school website at www.forestville.com.
