All-Call sent Sept 9, 2021

The health and safety of our students and staff is our top priority. This call is to inform you that three Elementary School students and one high school student have tested positive for COVID-19. The last day of attendance for the students was Friday, September 24th. The contact tracing has been completed. Due to these positive cases, a large number of students have been placed under mandatory quarantine by the Chautauqua County Department of Health to reduce the risk of transmitting the infection to others. It is very important to continue to monitor your child for symptoms and have them stay home if they are sick, or if they have been in close contact with someone that has tested positive for COVID-19. This information and more can be found on our school website at www.forestville.com.
