

All-Call sent out January 21, 2022

Good afternoon Forestville Families. The health and safety of our students and staff is our top priority. This call is to inform you that two MS/HS students have tested positive for COVID-19. The contact tracing has been completed. It is very important to continue to monitor your child for symptoms and have them stay home if they are sick, or if they have been in close contact with someone that has tested positive for COVID-19. This information and more can be found on our school website at www.forestville.com.
