

All-Call sent out Jan 4, 2022

Good morning Forestville Families. The health and safety of our students and staff is our top priority. This call is to inform you that numerous students and numerous staff members have tested positive for COVID-19 over the holiday break. The contact tracing has been completed. It is very important to continue to monitor your child for symptoms and have them stay home if they are sick, or if they have been in close contact with someone that has tested positive for COVID-19.

Also, if you were unable to pick up a free NYS COVID home test kit yesterday, please contact your child's main office to make an arrangement for one.

This information and more can be found on our school website at [www.forestville.com](http://www.forestville.com).
