

## Policy Committee

Date: 03/25/22

Time started: 9:03am

Location: Zoom

Members Present: Mervin Fry, Amy Drozdzziel, Andrea Spengler, Renee Garrett, Kristin Irwin, John Perry, Dan Grande

Community Members: none

### Discussion Items:

1. Policy #7132 Non-Resident Students: Merv read the policy to the committee. Dan asked to discuss the policy as it relates to non-district students who are misbehaving and causing a disruption to the learning of other students. The committee discussed adding a statement to the policy to add clarification regarding non-district students being removed from the district if they fail to meet the expectations as outlined in the Code of Conduct and Student Handbook. The committee drafted a statement and added it to the policy for review by the attorney. After the attorney reviews the updated policy, the committee will review the policy again. Dan will be the contact person if the attorney has any questions regarding this update. Dan left the meeting after discussion of this policy was concluded.

2. Renee and John identified two policies that will need to be reviewed following the cafeteria audit. The district wellness policy and procurement policy. Both will need to be reviewed and updated as needed. Plan to review these two policies at the next policy committee meeting and invite Sarah LoManto, the district's food service director, to attend.

3. Policy #6160 Professional Growth/Staff Development: Merv read the policy to the committee. The committee agreed that the updated policy is ready to be presented to the full Board of Education for review.

Next meeting scheduled: April 29, 2022, at 9:00am

Time adjourned: 10:00am
