Discussion Item:

Discussed ideas for staff appreciation week. Andrea offered the idea of providing a breakfast or lunch. Carol offered the idea of providing a small potted flower/plant. Renee reported that in previous years \$5 gift cards, lip balm, or treats such as candy were given to staff. Decided on providing breakfast for all staff (108 employees) one morning the week of May 2. Andrea will call South Dayton Supermarket to order donuts (125 donuts) and Walmart to order fruit trays (3 trays, 1 for each location). Carol will call Tim Horton's to order coffee (3 boxes, 1 for each location). Plan to set up the table the night before and to have breakfast set up by 7:00am the day of. Breakfast will be provided in the Elementary and MS/HS faculty rooms as well as in the bus garage. Andrea will send an email to other Board members to see if anyone is available to help. Carol will send an email to the staff when details are finalized. Andrea will create a flyer and email it to Kristin to print and display in each location.
