After being lost in the woods for three days, Hansel and Gretel saw a white _____ sitting on a branch. They followed the bird to a house made entirely of _____.

An old woman came to the door and invited the children in to eat, then showed them to two tiny white beds to rest. The old woman was really a wicked _____ who liked to cook and eat little children. She fed Hansel and Gretel so that they

would become plump. After four weeks, the witch decided to eat the children. Gretel was clever and tricked the witch into looking into the hot oven. When she did this Gretel, pushed the witch in.

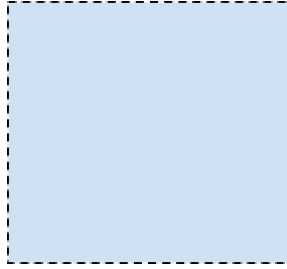

Gretel freed Hansel and they found their way back _____ to their father. With their mean stepmother gone, they all lived

...happily ever after.
