

Name _____

History of the Earth, Lesson 8: Dinosaurs

Read Aloud Review

Today we learned about dinosaurs! Dinosaur fossils prove that dinosaurs once roamed our Earth. Cut and glue the dinosaur with the fossil. Trace over the name of each dinosaur carefully.

Tyrannosaurus
Rex

Stegosaurus

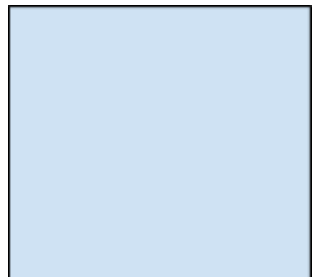

Triceratops

Camarasaurus

Compsognathus

Word Work

trace over the word:

Extinct

Meaning: If something is **extinct** there is no more of its kind living.

Directions: Draw a picture of your favorite and tell how it is **extinct** at the bottom.

The _____ is **extinct**.
