Hello families and welcome to first grade!

I am **SO excited** to start working with your child this fall. The kindergartens have been working so hard and I've been watching your child grow into the **Awesome** first grader that he or she is now. I hope your family has a relaxing summer. I will be sending an invitation to join ClassDojo soon. ClassDojo is a website and app that I use to communicate with families, share information, and post pictures of your child.

If you are interested in extra learning activities for the summer your child can...

- Review reading/phonics skills with prerecorded Orton-Gillingham lessons on my website:  
<https://www.forestville.com/Page/2479>
- Join the Summer Book Club by messaging me on ClassDojo. Some of you have already joined.
