### ELA Listening & Learning

Once upon a time there was a man and his wife who wanted a baby. Finally the wife learned her wish would come true. She looked into the neighbor's garden feeling that she must have

some \_\_\_\_\_ lettuce. The husband tried to steal the rapunzel lettuce when the neighbor caught him he found out that she was really a witch. The witch let him take as much rapunzel lettuce as he wanted as long as she could

have the baby when it was born. The witch took the baby when she was born and named her Rapunzel. When Rapunzel was twelve, the witch took her into the forest and locked her in a

\_\_\_\_\_ with no stairs or door. The only way the witch could go up or down was to call to Rapunzel to let down her long \_\_\_\_\_ as a rope ladder. One day a \_\_\_\_\_ found Rapunzel and

watched to see how the witch got up to her. He called out "Rapunzel, Rapunzel, let down your hair!". This was how he visited Rapunzel until the witch found out about his visits. She cut

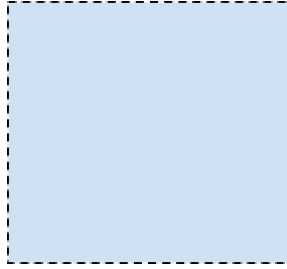

Rapunzel's hair and \_\_\_\_\_ the prince. After a long time, Rapunzel and the prince find each other and live happily ever after.
