

June 2024

Dear Third Grader and Family,

Congratulations on completing second grade! I am so excited to have joined the Forestville Hornet family and to be able to spend your third grade year with you! You might have seen me around the building as a long term substitute for Mrs. Kwilos while she was out of first grade for the end of the 2024 year. Before working at Forestville I was in Gowanda Elementary. I think third grade is the best year! You get a chance to be a meteorologist in class. We can travel to other countries in social studies to learn about the interesting things they do there. We will be building an array city in math. And we can't forget the books! I love to read and I hope you do too. We will even get an opportunity to have penpals in another country!

I know that you have worked hard this year and I'm sure you are excited to enjoy some well-deserved time off. I am excited to spend the summer with my two daughters. Michaela will be in fifth grade and Kylee will be in second grade. We are looking forward to spending time swimming, reading, and participating in the Cattaraugus County Fair 4 H program. Did I mention we have two miniature donkeys, turkeys, chickens, and a bunny? Wait until you hear about some of these animals and the silly things they do! I am sure you have lots of fun things planned with your family this summer. I can't wait to hear all about it in September.

When it gets closer to the school year expect a letter from me. I am a little nervous to start third grade in a new school with all new faces. But, I am sure all of my new students will be super helpful. I will also send information so we can connect on ClassDojo for easy communication throughout the school year. If you

have any questions from now until then please feel free to email me. My email address is [msprague@forestville.com](mailto:msprague@forestville.com).

Have a fantastic summer! Remember to read!

Mrs. Sprague

## Mrs. Sprague's Third Grade Supply List 2024-2025

- 2 packs of pre sharpened yellow pencils (not mechanical)
- 1 pink eraser
- 2 Elmer's glue sticks
