

June 2025

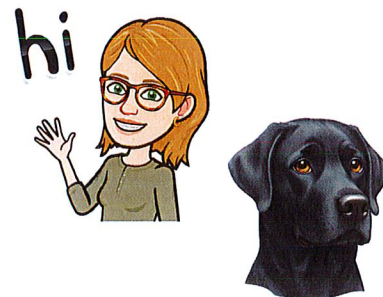

Dear Third Grader and Family,

Congratulations on completing second grade! Koda Bear (our classroom therapy dog) and I are so happy to be part of the Forestville Hornet family. We are so excited we will be able to spend your third grade year with you! I think third grade is the best year! You get a chance to be a meteorologist in class. We can travel to other countries in social studies to learn about the interesting things they do there. I love to read and I hope you do too. I have seen some of your writing as second graders and I am impressed!

I know that you have worked hard this year and I'm sure you are excited to enjoy some well-deserved time off. I did attach some worksheets for over break. These are great for when you say "I'm bored"! I am excited to spend the summer with my two daughters. Michaela will be in sixth grade and Kylee will be in third grade. We are looking forward to spending time swimming, reading, and participating in the Cattaraugus County Fair 4 H program. Did I mention we have two miniature donkeys, turkeys, chickens, and a bunny? Wait until you hear about some of these animals and the silly things they do! I am sure you have lots of fun things planned with your family this summer. I can't wait to hear all about it in September.

When it gets closer to the school year expect a letter from me. I will also send information so we can connect on ClassDojo for easy communication throughout the school year. If you have any questions from now until then please feel free to email me. My email address is msprague@forestville.com.

Have a fantastic summer! Remember to read!
Mrs. Sprague & Koda Bear
