

Name _____

Animals & Habitats, Lesson 7: Animals of the Freshwater Habitat

Read Aloud Review

Today we learned about the Freshwater Habitat! Freshwater habitats are all over the world. There are so many it is hard to put on a tiny map.

Directions: Your job is to cut out the animals and put them in the Freshwater Habitat.

Word Work

trace over the word:

float

Meaning: If things **float** on water, it means they stay on top of the water and do not sink.

Directions: Circle all of the things that **float**!

leaf

rocks

boat

penny

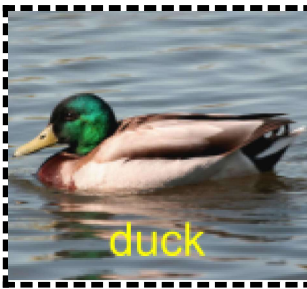

balloon

floatie
